PROFILE

React.js Developer with hands-on experience building responsive web applications and data-driven dashboards. Proficient in React, Redux, TypeScript, and Tailwind CSS, with working knowledge of Node.js, Express.js, and MongoDB. Experienced in REST API integration, reusable component design, and performance optimization. Seeking to contribute to a collaborative product team while growing as a full-stack developer.

EDUCATION

B.C.A
Saurashra university
06/2022 – 04/2025 | Rajkot, India

H.S.C
Shisumandir high school
2022 | Gondal, India

SKILLS

- html-css
- Javascript
- wordpress
- Tailwind-css
- React-js
- Nodejs - Expressjs
- Mongo DB
- Typescript
- Redux

PROJECTS

RupeeRoot
Online Expense Tracking website
- Built a fully responsive **online expense tracking platform**, enabling users to monitor and manage their financial activities efficiently.
- Developed using **React** for the frontend and **Node.js + Express.js** for the backend, with **MongoDB** as the database.
- Implemented secure authentication, and a sleek UI for an intuitive user experience.
- Integrated RESTful APIs for seamless frontend-backend communication and maintained clean code practices using Git version control.

WORK EXPERIENCE / INTERNSHIP

React developer
Orwetry systech
08/2025 – Present | Rajkot , Gujrat
- Developed responsive and user-friendly web applications using React.js.
- Built and maintained dashboard interfaces with data visualization and analytics features.
- Integrated REST APIs and handled API requests using Axios/Fetch.
- Managed application state using React Hooks and modern React practices.
- Implemented reusable UI components to improve development efficiency.
- Optimized application performance and improved user experience.

Frontend Developer Intern
Fuerte Developer, Rajkot, Gujarat
05/2025 – 08/2025 | Rajkot , Gujrat
- Contributed to a live client project as a React-based frontend developer, assisting in building and enhancing user-facing features using **HTML, CSS, JavaScript, and React**.
- Gained hands-on experience with **React.js fundamentals**, including functional components, props, state management, and API integration.
- Applied concepts of **responsive design** and practiced building components optimized for different screen sizes and devices.
